The image contains 16 tracing exercises arranged in a 4x4 grid. Each exercise is a 4x4 grid with a black figure on the left and a red figure on the right, connected by a right-pointing arrow. The figures are:

- Row 1, Column 1: A cross shape (5 squares).
- Row 1, Column 2: A 3x3 grid of squares with the center square missing.
- Row 1, Column 3: A 2x2 grid of squares.
- Row 1, Column 4: A 4x4 grid of squares with the center 2x2 area missing.
- Row 2, Column 1: A 2x2 grid of squares.
- Row 2, Column 2: A 4x4 grid of squares with a diagonal line of squares from top-left to bottom-right.
- Row 2, Column 3: A 4x4 grid of squares with a diagonal line of squares from top-right to bottom-left.
- Row 2, Column 4: A 4x4 grid of squares with a diagonal line of squares from top-left to bottom-right.
- Row 3, Column 1: A 4x4 grid of squares with a diagonal line of squares from top-left to bottom-right.
- Row 3, Column 2: A 4x4 grid of squares with a diagonal line of squares from top-right to bottom-left.
- Row 3, Column 3: A 4x4 grid of squares with a diagonal line of squares from top-left to bottom-right.
- Row 3, Column 4: A 4x4 grid of squares with a diagonal line of squares from top-right to bottom-left.
- Row 4, Column 1: A 4x4 grid of squares with a diagonal line of squares from top-left to bottom-right.
- Row 4, Column 2: A 4x4 grid of squares with a diagonal line of squares from top-right to bottom-left.
- Row 4, Column 3: A 4x4 grid of squares with a diagonal line of squares from top-left to bottom-right.
- Row 4, Column 4: A 4x4 grid of squares with a diagonal line of squares from top-right to bottom-left.
